The United States respectfully moves the Court to unseal the search warrant, the application and affidavit for a search warrant, the return, and any related papers filed in the above-captioned matter.

This search warrant was obtained in connection with the investigation of Justin Stoll. On January 14, 2021, Stoll was charged in a criminal complaint based on substantially the same facts as those in the affidavit supporting the search warrant application. Stoll was arraigned the next day, and the government now wishes to produce the search warrant papers in discovery.

Accordingly, the United States respectfully requests that all papers filed in the above-captioned matter be unsealed.

Respectfully submitted,

DAVID M. DEVILLERS  
United States Attorney
